**Couples Therapy Program  
at the  
Training Institute for Mental Health**

*The Couples Therapy program offers one  
and two year certificates in Couples  
Treatment to mental health professionals  
who are interested in improving their  
clinical skills. Training consists of a  
sequence of seminars focused on the  
psychodynamic aspects of interpersonal  
and intersubjective interactions along with  
recognition of individual diagnostic issues.  
The relevance of cognitive  
techniques is also stressed. Basic training  
includes: Issues in Couples Therapy,  
Supervision of Couples Therapy, Short  
and Long Term Couples Therapy, and  
Readings in Theory and Practice of  
Couples Therapy: Advanced Training  
beyond the one and two year certificates is  
also available.*
