

# Group Therapy Training Program 2022-2023

115 West 27th Street, 4th Floor, New York NY 10001 • 212-627-8181 • www.timh.org

The [Group Therapy Training Program](#) has two training tracks:

**Track I:** A two-year comprehensive program involving seminars, supervision, personal group therapy, and leading group therapy.

**Track II:** A segmental program wherein a trainee may choose only one component thereby allowing maximum flexibility over an extended period of time.

A significant feature of the program is that the seminars and supervision are offered on Friday evenings so that it does not interfere with a trainee's employment during the daytime. All other aspects of the program are individuals arranged as to time, day, and place. A certificate is awarded upon completion and may meet requirements to become a CGP (Certified Group Therapist) from the AGPA (American Group Psychotherapy Association) and requirements for social work licensing in New York and certain other states.

The program is led by experienced group therapists drawn from the Training Institute's advanced faculty who will be teaching and Supervising at TI or their own offices.

**Tuition:** Track I is \$3,600 per year (3 trimesters)  
Track II is prorated.

## Core Faculty:

George L. Lynn, PsyD  
Chris Scott, LCSW  
Marcia Wood, LCSW
